#### SIXTH ORDER OF BUSINESS

Appointment of Audit Services RFP Committee

On MOTION by Mr. Kelley seconded by Mr. Rojas with all in favor the board members were appointed to serve as the audit committee and Mr. DePriest was appointed to chair the committee.

# SEVENTH ORDER OF BUSINESS Consideration of Resolution 2020-04 Adopting Internal Controls Policy

Ms. Sandy stated last year legislation was passed that requires us to adopt policies to prevent waste, fraud and abuse and we have worked with the various district managers throughout the state to come up with these policies that are in your agenda package. A lot of these items are already being done; we are just adopting the policy.

On MOTION by Mr. Kelley seconded by Ms. Johnston with all in favor Resolution 2020-04 was approved.

# EIGHTH ORDER OF BUSINESS Consideration of Letter of Credit in Lieu of Performance Bond

Mr. DePriest stated this item is related to the space behind the town center, the developer on the project has asked us to accept a letter of credit instead of a performance bond. Mr. Berlin went through with a fine-tooth comb and found a sidewalk they needed to include.

Ms. Sandy stated the city has approved this letter of credit in lieu of a performance bond, confirmed those are the improvements still outstanding and they feel the \$28,000 it represents is cushion enough. The letter of credit has been signed and is in place. We are asking you to accept the letter of credit and direct staff to release the performance bond.

On MOTION by Mr. Kelley seconded by Ms. Johnston with all in favor the letter of credit was accepted and staff was directed to release the performance bond.

#### NINTH ORDER OF BUSINESS St. Joe Update (John Curtis)

Mr. DePriest requested those items be on the agenda for the next Board meeting.

#### TENTH ORDER OF BUSINESS Update Regarding DRI Matters

Mr. Dantin gave an overview of the redesign of the district's stormwater management plan, proposed traffic calming options and wayfinding signage that may benefit pedestrian and bicyclists.

# ELEVENTH ORDER OF BUSINESS Consideration of Landscape Maintenance RFP Project Manual

Ms. Sandy stated we are looking at running the RFP notice on February 24th, with a preproposal meeting on March 2nd, deadline for questions on March 9th, with proposals being submitted on March 23rd. There would be a public meeting for opening proposals, board

members can attend but it is not a board of supervisors regular meeting. The proposals will be brought to this board on the April 9th regular meeting. The project manual is in the agenda package, in front of you is the maintenance map as well as some of the unit pricing and schedules that will be included with the project manual along with a detailed scope of services that Robert has put together. All those items are pretty much finalized at this point. Additionally, the Project Manual includes the evaluation criteria the Board would use to review and evaluate the proposals.

On MOTION by Ms. Johnston seconded by Mr. Kelley with all in favor the evaluation criteria and the RFP project manual for landscape maintenance services was approved in substantial form subject to staff finalizing the project manual and staff was authorized to notice the RFP.

#### TWELFTH ORDER OF BUSINESS Discussion of Barringer Hill Traffic/Safety

Mr. Dantin stated there are a couple options that we talked about last time and we will continue to push with the city in our ongoing discussions. One would be to close the median at Four Oaks and not allow left turns onto Barringer Hill from Four Oaks. It would stop the flow of traffic coming onto Barringer Hill going to the golf course; add more wayfinding signs to the golf course to bring them down to Grove Park. It would also provide a safe haven for pedestrians and bicyclists crossing the trail system at Barringer Hill.

You could also introduce an option of chicanes, narrowing a street by forcing people into narrow driveways and making them slow down. They are more effective than speed humps and can be introduced on a collector road where you can't put speed humps.

#### THIRTEENTH ORDER OF BUSINESS Staff Reports

#### A. Attorney – Discussion Regarding Plat Review Process

Ms. Sandy reviewed the proposed plat review process and memorandum of understanding that will be on a future agenda after St. Joe's comments are received.

#### E. Manager

There being none, the next item followed.

#### FOURTEENTH ORDER OF BUSINESS Supervisor's Requests

There being none, the next item followed.

#### FIFTEENTH ORDER OF BUSINESS Audience Comments

A resident asked is there an update on the city park?

Mr. Berlin responded the city is in the stormwater permitting process at this time.

Mr. Curtis stated we are also working with the county and the city. One of the issues with the city park was water pressure and the city and county are working to extend the water along Tram from Capital Circle up to Four Oaks and they are building a trail and that trail will go all the way down to Fairview.

A resident asked in unit 22 are we still going to have a library?

Mr. Curtis responded no, the library has told us since they build the new library they are not going to build a library in SouthWood.

A resident asked have you considered signs that say "slow residential community" or something like that?

Mr. DePriest stated the city controls the roads and the signage. We have speed limit signs that are legally enforceable.

Mr. Rojas stated have your neighbors put those little men with flags that say, slow children at play.
